Of those that desire to go to the palace, some reach it, and go round about in search of the entrance gate; others have passed through the gate, and walk about in the ante-chamber; and others have succeeded in entering into the inner part of the palace, and being in the same room with the king in the royal palace.

### **Versailles Palace and Gardens: The Complete Guide**

You should define a particular route within your memory palace. It's helpful to keep the route simple, by going from room to room, for example. Or if you are in one particular room, going around the room to familiar objects. 2. Identify Distinctive Features. Once you have a palace, you need to pay especially close attention to the features. For example, if you used your home as your palace, distinctive features could include the front door, basement, kitchen, office, etc.
