Active Reading Start by getting familiar with the basic parts and structure of the text: What kind of text are you reading?

### **What is Active Reading? - Definition & Strategies - Video ...**

Once you start reading a text, think about what conversation it belongs to and try to enter into it. One way to enter into the text's conversation is to approach a text from two angles: First, as an open-minded believer who acknowledges the text's power, and then, as a skeptical doubter who tries to find weaknesses in the author's argument.
