All About Title Insurance

Title insurance is a type of insurance that protects mortgage lenders and/or homeowners against claims questioning the legal ownership of a home or property (i.e., the title to the property). If disputes over title ownership arise after the purchase, the insurance policy pays for any legal fees to resolve them.

Title insurance - Wikipedia

Title insurance is a form of indemnity insurance predominantly found in the United States and Canada which insures against financial loss from defects in title to real property and from the invalidity or unenforceability of mortgage loans. Unlike some land registration systems in countries outside the United States, US states' recorders of deeds generally do not guarantee indefeasible title to those recorded titles. Title insurance will defend against a lawsuit attacking the title or reimburse t
