"The world is big and I am small." From the eyes of a baby penguin the world is a great big place. The sky so high, the ocean so deep, and the mountains so steep--all these things are magnificent from it's point of view. But in the eyes of it's mother--this little penguin is the biggest, most important thing in the world!

Origin of The Big Picture. Merriam-Webster's cites the first use of the phrase as 1904 but does not elaborate further on the source. It could be connected with the motion picture industry, which was relatively new at the time. There are a few earlier references to the idea, including this semi-metaphorical usage in Chamber's Journal of Popular Literature in 1862,

Am I Small A Picture

A large gallery display of photographs is an attractive way to infuse any room with warmth and style. Since I love taking pictures (especially of my daughters) and had a large unused wall, I wanted to create a striking photo display but wasn't sure exactly how to do it and achieve the effect I was looking for.
