American Express Merchant Reference Guide - U.S.

American Express discount rates for retail stores and restaurants will downgrade (meaning the rate increases) if a transaction is keyed-in rather than swiping a card, but most rates are the same regardless of transaction method. American Express does not charge a credit card transaction fee and a discount rate for every industry category. Many rates consist of a percentage-base charge (discount rate) without a transaction fee (flat dollar amount, i.e. \$0.10).

Integration Guide - American Express

American Express chargeback reason codes, much like Discover, bear one important difference from those under Visa and Mastercard: the issuing bank is also the card network. Get your complete guide to Amex reason codes, including all the detailed information, chargeback time limits, and other important information you need.

American Express - Merchant Guides

The Complete Guide to Amex Interchange and Processing Fees. Unlike Visa and Mastercard, American Express credit card processing isn't very straightforward. That's because Visa and Mastercard are both open networks, meaning anyone can issue cards. But American Express is a closed network. This structure gives Amex much more control over credit card merchant fees.

Merchant Home Page - American Express

Only qualifying American Express Card accepting merchants will be featured on American Express Maps. Please note that business location and other information provided on the Map may contain inaccuracies or errors, including as a result of information provided by third parties.
