Black Fortunes: The Story of the First Six African ...

“The history mined in Black Fortunes will come as a revelation to many who will be shocked to learn that there was a black wealth class immediately after slavery....a classic story of black resilience and the determination to upend a racist social order in the most meaningful, quantifiable way, but it’s also a cautionary tale about the unique challenges African Americas face in trying to build and sustain wealth.”

Amazon.com: Black Fortunes: The Story of the First Six ...

This is the story of the first black millionaires - six amazing individuals, living barely post-Civil War, who overcame incredible odds to achieve success. They include men who invested in real estate, women who started their own businesses, and women who married into wealth that they then invested wisely.

Black Fortunes - HarperCollins

Shomari Willis' Black Fortunes: The Story of the First Six African Americans Who Escaped Slavery and Became Millionaires brings to light these individuals and adds onto to the rich history of African Americans in the United States, showing slavery not as the singular origin story of a people but, rather, the root of a much larger and varied tree.

A Review of Shomari Wills's BLACK FORTUNES (2018) | HistPhil

"Black Fortunes is not simply the story of a handful of African Americans who wove skill and good fortune into wealth, it is the story of the world in which they managed to do so. With this volume Shomari Wills has added layers to our understanding of the black past and its implications for the American present."
