Buying a Car | USAGov

Buying New vs. Used. One way to get closer to the convertible of your dreams (or other higher-end car) is to take a look at used cars. An older car with low mileage may be hard to find, but can be a great deal. Another benefit of buying a used car, especially if you are a new driver, is that the car will likely already have a few dings and dents.

Kelley Blue Book® Private Party Value The Kelley Blue Book® Private Party Value is the starting point for negotiation of a used- car sale between a private buyer and seller. This is an "as is" value that does not include any warranties. The final sales price depends on the car's actual condition and local market factors.

Bing: Car Application Guide Got Your

Study your state's application process. The application process alone for obtaining a car dealer's license is extensive. Some states, such as Texas or California for example, publish a car dealer manual that explains the business of car sales, as well as the application process. Find out from your state's Department of Motor Vehicles if such a guide is available, and then take the time to study it.
