Chapter 1 - Introduction to group work Flashcards | Quizlet

A team (or a work team) is a group of people with complementary skills who work together to achieve a specific goal. 3 In the case of Motorola's RAZR team, the specific goal was to develop (and ultimately bring to market) an ultrathin cell phone that would help restore the company's reputation. The team achieved its goal by integrating ...

Chapter 1: Introduction to Group Work Flashcards | Quizlet

An Experiential Approach to Group Work is not your typical group work text! Using dozens of exercises that build practice-tested skills, the authors' approach is in perfect step with CSWE's competence-based education requirements. The book is organized into three sections-the first addresses stages of group practice, the second looks at major types of groups, and the final section looks at ...

The focus of these groups is on the application of group dynamics principles and processes to improve practice and to foster accomplishment of identified work goals. Psychoeducational groups _____ focus on developing members' cognitive, affective, and behavioral skills through a structured set of procedures within and across group meetings.

Chapter 1: The Medical Assistant Flashcards | Quizlet

Chapter 1 The Group Work Tradition in Social Work Social group work is a very positive and optimistic way of working with people. It is truly empowering and affirming of people's strengths. In fact, the very act of forming a group is a statement of belief in people's strengths and in the contribution that each person can make in the others' lives. (Kurland & Salmon, 1998, p.

Chapter 1

8, builds on this knowledge, exploring practice skills and directly discussing group-work practice. The chapters that make up this second, practice-orientated part of the book are structured to address the 'life course', or processes, of working with a group. The final chapter will summarise the book in a way that helps you to focus
