Thus, corporate law everywhere must, of necessity, provide for them. To be sure, there are other forms of business enterprise that lack one or more of these characteristics. But the remarkable fact—and the fact that we wish to stress—is that, in market economies, almost all large-scale business firms adopt a

...

corporations: an overview. A corporation is a legal entity created through the laws of its state of incorporation. Individual states have the power to promulgate laws relating to the creation, organization and dissolution of corporations. Many states follow the Model Business Corporation Act. (See Minnesota's adoption.) State corporation laws require articles of incorporation to document the corporation's creation and to provide provisions regarding the management of internal affairs.
