IMHO, all development work at Photopia should stop until good User Manuals are available for Creator and Director. With a few people working on this it should not take more than a couple of months. They can start with the ProShow User Manuals, for structuring the chapters.

Roxio Creator User Guide

It's always good to play it safe and create a user manual with the first-time user in mind. This way, newcomers have a way to learn, and regular users have a reliable source to look back to in case they need it. What is your product? The two biggest types of products here are physical and digital. This difference between these two affects how ...

User Manual Template and Guide to Create Your Own Manual ...

User guides have evolved significantly since the time businesses first started creating them to assist customers. The journey of user guides from offline to online, boring to interesting, ineffective to effective and complicated to simple, is a testimony to the rapid advancements made by technology.
