Dark Age Naval Power – a reassessment of Frankish and Anglo-Saxon Seafaring Activity, by John Haywood, 1999, 187 pages This is a work about Frankish and Anglo-Saxon seafaring, published by Anglo-Saxon Books, yet the Anglo-Saxons don't feature as prominently in it as you may have hoped. The first 77 pages are about early Germanic seafaring, which does provide a background, but I'd not really class the Roman period as being dark age.

The art of war in the Middle Ages, A.D. 378-1515 Item Preview ... Most modern writers, being stuffed full of legalisms with no real idea of the logistics of a pre-mechanized army or navy, are not as good. As well, his writing is clear, not out to impress you but inform you, with an appreciation for the grim humour of some situations. ...

Dark Age Naval Power A re-assessment of Frankish and Anglo-Saxon seafaring activity. John Haywood In the first edition of this work, published in 1991, John Haywood argued that the capabilities of the pre-Viking Germanic seafarers had been greatly underestimated. Since that time, his reassessment of Frankish and Anglo-Saxon shipbuilding and seafaring has been widely praised and accepted.

- The Dark Ages (cont.) Overview. In this lecture, Professor Kagan addresses what scholars call the Homeric question. He asks: what society do Homer's poems describe? He argues that in view of the long oral transmission of the poems, the poems of Homer probably reflect various ages from the Mycenaean world to the Dark Ages.

Archaeological records indicate that the arrival of the Corded Ware culture in Northern Europe was accompanied by large-scale migration and warfare. After a period of amalgamation, the Nordic Bronze Age emerged, which appears to have been a time of relative peace.. The military situation in the Germanic world was radically changed with the emergence of the Iron Age and the late centuries BC.

Description. What little is known of the Frisii is provided by a few Roman accounts, most of them military. Pliny the Elder (AD 23–79) said their lands were forest-covered with tall trees growing up to the edge of the lakes. They lived by agriculture and raising cattle. In the late 1st century the Romans referred to the 'Greater Frisii' as living to the east of the lake Flevo, and the ...
