Evacuation could be both exciting and frightening. Each child had a different experience. For some children, being evacuated provided a new and exciting opportunity to enjoy country life. Read the letter below, written by a Nottinghamshire evacuee. She had a good experience of being evacuated, but not all children did.

This funny, fascinating journal follows the development of a boy and his changing attitudes during WW II from its outbreak in September 1939 to victory in the summer of 1945. It is a memoir based on the original letters — around a hundred and ninety in total — written by the author to his parents and carefully preserved over the years.
