## How much headroom is required above a residential garage door?

Hörmann are one of Europe's leading provider of garage doors, front door and operators and more and more in the market of construction components now carry the Hörmann name. As a company Hörmann not only use environmentally friendly procedures for foaming, using 100% CFC-free PU rigid foam, but also with the colour coating of the doors.

## Products - [hoermann.com](http://hoermann.com)

Beyond good looks, Hörmann residential garage doors are popular with Commack and Long Island NY residents for their strong construction and safety features. These doors are constructed with two layers of steel for strength and durability.

### **Garage Doors at Menards®**

When equipping a garage door with an electric door opener, add 2 in. (51 mm) to standard lift movements. For low-headroom system, you do not need the additional 2 in. (51 mm). Need help? To help you make an "enlightened" choice when buying a new garage door, contact us! What's more, we can provide you with a free quotation.

### **Residential and Commercial Garage Door Manufacturers**

4. Add windows to your garage door. Whether it's to let light into your garage, or to better match your door to the windows of your house, more than 3 out of 4 garage doors being installed today have windows. They can be opaque to prevent a view of the interior, while their small sizes will stop intruders from getting into the garage.
