As a result, getting into med school has become harder and more competitive than ever. As if all that wasn't enough, the average age of applicants has changed, too. Traditionally, students will start applying to medical schools during their junior year of college. However, recent trends show that the average age of applicants is around 24 ...

10 Tips on Getting Into Med School | Pre-Health ...

A medical school letter of recommendation can play a vital role in getting admission, which is why the recommender should be such that he/she can write in favor of the candidate. If the candidate does not know the recommender well and want him/her to write the letter, it is wise for the recommender to refuse as saying no is better than vouching for someone who is not deserving.

Medical School Letter of Recommendation (Sample Letters)

Here's the step-by-step approach that we recommend in order to write a great medical school personal statement: Create a list of personal qualities that you'd like to convey through your personal statement. For example, you might... Brainstorm experiences, events, or contexts in which you've ...

Get into Medical School - Write the perfect personal ...

Because getting into medical school is not all about grades and test scores. But you already knew that, didn't you. You know that because if you were on the medical school admissions committee, and you were responsible for picking out the doctors of tomorrow, there's no way you would look only at grades and test scores.
