Hannah Green actually thinks her story is more mundane than most. But she's about to discover that the shadows in her life have been hiding a world where nothing is as it seems: that there's an ancient and secret machine that converts evil deeds into energy, that some mushrooms can talk — and that her grandfather has been friends with the Devil for over a hundred and fifty years, and now they need her help.

Hannah Green And Her Unfeasibly

The titular Hannah Green is a young girl dealing with the break up of her parents' marriage. Her mother has left her father for a work colleague, and has moved from the West Coast of the USA to London. The marriage break up is the unfeasibly mundane part of Hannah's life. So common a set of experiences and so frequent.
