The term is heads or tails in America or Britain but it differs in other countries based on their monetary history. I know that Italy has Heads or Crosses and back in the Roman days there was Heads or Ships. Heads is a given. Most coins have a picture of a leader or powerful figure on one side and the opposite side whatever.

## **heads or tails - Dizionario inglese-italiano WordReference**

Coin flipping, coin tossing, or heads or tails is the practice of throwing a coin in the air and checking which side is showing when it lands, in order to choose between two alternatives, sometimes used to resolve a dispute between two parties. It is a form of sortition which inherently has two possible outcomes. The party who calls the side that the coin lands on wins.
