### Private Hiking & Backpacking Tours | Wildland Trekking

Hiking is a low-impact activity which involves hikers walking across long trails or paths, in a forest or mountains. This activity can be of moderate to high difficulty, depending on the type of trail. A hike can be for just one whole day or last for more than 20 days; it really comes down to your choice. You can go for a hike alone or in groups.

The tops of your ears and back of your neck are highly susceptible to getting burned while on the trail, so either get some sunscreen or wear a hat that keeps them covered. The same is true for keeping pesky things out of your hair, the sun from burning your ears and face, and keep you a bit cooler.
