Land mark of the history of English poetry was: "Cabterbury Tales" which was a collection of stories of pilgrims who were going towards the shrine of Thomas Becket at Canterbury. He removed the poetry from the region of Metaphysics and Theology and made it hold as "twere the mirror up to the nature".

History of literature - Wikipedia

The history of literature is the historical development of writings in prose or poetry that attempt to provide entertainment, enlightenment, or instruction to the reader/listener/observer, as well as the development of the literary techniques used in the communication of these pieces. Not all writings constitute literature. Some recorded materials, such as compilations of data are not considered literature, and this article relates only to the evolution of the works defined above.
