...

How to brainstorm. Use a piece of paper to write down everything you can think of about a particular topic. Write the name of the topic in the centre of the page. Do not try to organise the information at all - the purpose is to get it out and onto the page. Use key words or phrases to write your ideas. Always use the paper horizontally as this way you can fit more information.

What Is a Mind Map? A mind map is a simple hierarchical radial diagram. In other words, you organize your thoughts around a central idea. This technique is especially useful whenever you need to "dump your brain", or develop an idea, a project (for example, a new product or service), a problem, a solution, etc. By capturing what you have in your head, you make space for other thoughts.
