In My Head is the sixth studio album by American band Black Flag. It was released in 1985 on SST Records, and was their final studio album before their breakup in 1986. The CD reissue adds three of the four songs that later appeared on the I Can See You EP, replicating the original 1985 cassette release which came out concurrent to the LP.

In My Head was the last album by Black Flag before vocalist Henry Rollins formed The Rollins Band. This album does not disappoint. It's not my favorite Flag album, but it certainly is good. Greg Ginn's guitar sounds a little different than on previous albums, and that's a good thing.
