Mr Kapur gives a clear portrait of India in transition and by focussing on well-told stories of individual people, he manages to paint a much larger picture of the state of the nation and its contradictions. The writing is clear and undemanding, the observations sympathetic and it's a really good read.

Multiculturalism says, go to your ghetto. Many places could be called a land of contrasts, but India seems to take it to the extreme. This is by no means a comprehensive history of the country, as it only covers since independence and even then is just a portrait or snapshot as the title suggested.
