International Relations: The World Community in Transition By Norman D and Perkins, Howard C Palmer Rs 550.00 Rs 375.00 Title: International Relations: The World Community in Transition

International Relations: The World Community in Transition ...

The State system, in the words of Palmer and Perkins, is the pattern of political life in which people are separately organized into sovereign states that interact with one another in varying degrees and in varying ways. 1 The nation-state system

constitutes the very basis of international relations.

International Relations by Palmer and Perkins

Contemporary international relations embrace the whole gamut of diplomatic history, international politics, international organization, international law and area studies. Writing about the contents of international relations, a few decades back, Palmer Perkins had said that the then international relations were a study of “the world community in transition.”
