Let's Get Real Before Real Gets Us. There has long been a theory floating around that everyone should sit back and "enjoy the show," while also stating "patriots are in control." Are they? Absolutely not! Sitting back was the first mistake, and most people probably aren't enjoying any part of seeing their country being destroyed.

Zig Ziglar said years ago that, "You can get everything you want in life, if you help enough people get what they want." And that's what Let's Get Real or Let's Not Play is about. It's a book for people who want to escape the feeling of "selling", and embrace the notion of helping the client solve their problems; the problems that matter to them, in a way that resonates with their larger objectives.

Let's Get Real or Let's Not Play: Transforming the Buyer/Seller Relationship, Mahan Khalsa and Randy Illig. I discovered this book while preparing a series of internal workshop sessions on client relationship building at my firm. I read a number of books that were concerned with relationship building in one way or another, and Khalsa and Illig's work is head and shoulders above the rest for three reasons.
