Living the Life Unexpected: 12 Weeks to Your Plan B for a ...

Living the Life Unexpected is written for those women who are 'without children by circumstance'; that is, they may want to be parents but for various external reasons, often medical, cannot be. Other Than Mother is written for those who are 'without children by choice': that is, they are able to procreate but have decided not to. The authors of both books write from their own experience; and their stories form a large part of, and inform the approach of, their respective books.

Living the Life Unexpected: How to find hope, meaning and ...

An illuminating mixture of autobiography, personal stories, social history and self-help, Living the Life Unexpected blends the personal, the political and the practical to support childless-not-by-choice women as they move forward with their lives.
