Bing: Milestones In Midwifery And The

Midwifery was legitimated through the Midwives Act but the control of midwifery practice remained largely in the hands of other groups. The developments in midwifery within the twentieth century are a reflection of the continued battle for recognised status. There was a series of additional Midwives Acts- in 1918, 1926 and 1936- which provided ...

Midwifery | Britannica

The New Midwifery. 1799: A short course for midwives began in New York City, led by Dr. Valentine Seaman. Dr. William Shippen began a course in anatomy and midwifery in Philadelphia. Few women came as students, but men came. 1812: The War of 1812 was thought of by Americans as a “second war of independence.”
