Montessori Play And Learn A

"Montessori Play and Learn" is a great tool to have in applying this learning method at home. It isn't difficult or complicated but does require dedication to achieve your goal. In other words, buying and reading this book and performing only a handful of the ideas on an irregular basis will not get your child where you'd like him/her to be.

The Five Characteristics of Play—And of Montessori Work ...

Children develop gross motor skills as they climb, jump and swing, and also social skills as they take turns on equipment and play hide and seek. Montessori believed strongly that children should be in touch with the substance of their world, encouraging work with clay, gardening and growing activities, and even building little houses.
