Treatment for RA depends on the severity of your condition. Nonsteroidal anti-inflammatory drugs (NSAIDs) are common treatment options that help to reduce pain and inflammation. NSAIDs are...

Pannus in Dogs (Chronic Superficial Keratitis) | VCA ...

To the Editor.— In their article, "Massive Abdominal Panniculectomy" (225:408, 1973), Meyerowitz et al describe the excision of what they call a pannus. Since, it would seem to me, panniculectomy would indicate the removal of a panniculus rather than a pannus, I consulted the 24th edition of Dorland's Illustrated Medical Dictionary, and discovered the definition of pannus to be: "1.
