The Emu in the Sky is the dark patch between the stars which is known to the Aboriginal people as Wej Mor. ... Many of the topics in our Aboriginal Art pages are illustrated with a painting that was inspired by the theme of that page. For each of these we have created a step by step slide show that deconstructs the image to reveal the painting ...

## **The Sky People - Nature colors our life**

Although modern science means that we can explain a great deal about the sky, as individuals we no longer rely on it to guide our lives. Written by the renowned archaeoastronomer Anthony Aveni, this book describes what we have lost - how our ancestors used, and relied upon the sky in their everyday lives.

North Korean dictator Kim Jong-un issued a tearful apology over the weekend for failing to live up to the trust his people have placed in him, according to reports. "Our people have placed trust, as high as the sky and as deep as the sea, in me, but I have failed to always live up to it satisfactorily," he said, during a speech at a military parade to celebrate the North Korean Workers ...

## **Celestial Objects You Have to Observe - Sky & Telescope ...**

The natural serenity of the night sky is a touchstone for all of us. Everyone alive today looks at the same stars no matter where they are located on the planet. However, the connection is more profound because, next to our brief lives, the stars are immortal. Shakespeare saw the same stars in the same patterns that we do.

## **This Week in Fascism #78: Light the Sky - It's Going Down**

The Miracle of the Sun (Portuguese: Milagre do Sol), also known as the Miracle of Fátima, is reported to have occurred on 13 October 1917, attended by a large crowd who had gathered in Fátima, Portugal, in response to a prophecy made by three shepherd children, Lúcia Santos and Francisco and Jacinta Marto. The prophecy was that the Virgin Mary (referred to as Our Lady of Fátima), would ...

The subject of sky people has been discussed and accepted by both Indian and white peoples in Montana. Many of us are part Indian though we look more white than the red people and almost all of us believe the old stories and yes almost any one I know in Montana has had an experience and we don't find it all that strange.

## **Horus - Wikipedia**

This, coming from people who praise Kenosha murderer Kyle Rittenhouse and are in league with the people caught planning murders in Portland, is sadly typical of the hypocrisy and crocodile tears of the fascist right. Mark Sahady and his fascist friends in "Super Happy Fun America" are coming back to Boston on October 18th.
