### The Backgammon by UNBALANCE Corporation - more detailed

...

Backgammon is a game for two players, played on a board consisting of twenty-four narrow triangles called points. The triangles alternate in color and are grouped into four quadrants of six triangles each. The quadrants are referred to as a player's home board and outer board, and the opponent's home board and outer board. The home and outer boards are separated from each other by a ridge ...

Backgammon is the first game developed by CardGames.io's two new full time employees, Kjartan and Alexandra! Winning a single game can take a long time, so we decided to just make the simplest version, without the doubling dice and tracking wins over many games. However, if we get a lot of requests for that we might add it later.
