Political Science Roskin 13th Edition

By examining issues such as the Iraq war and the difficulty of adapting our own democracy in the U.S., REVEL for Political Science prompts students to form their own opinions about democracy and political science. Geared toward those learning about the topic for the first time, the authors encourage students to consider different paradigms, viewpoints, and theories when developing their own political views.

9780205978007 - Political Science: an Introduction 13th ...

Political Science: An Introduction shows readers how the fundamental tenets of political science have helped important leaders make critical decisions for centuries. The authors present a balance of theoretical abstractions and applied reasoning to help readers understand how to make calm, rational choices when it comes to political manipulation.
