introducing English language with ease, building vocabulary and developing the learning process by creating interest in the language itself.

10 Principles For Language Learning - I Will Teach You A ...

XXFour basic realities of language learning are that language is a tool for communication, learning a language involves mastery of both knowledge and skill, the struggle to learn a language is a battle of the heart as well as the mind, and learners vary considerably in their preferred approaches to language learning. XXThe language teacher is not simply a transmitter of knowledge; like a coach, the language
