Private equity governance is just as different from the traditional publicly listed corporation as a representative democracy is from a direct democracy. Her analogy made perfect sense. I responded: "Yes, precisely. And PE governance is just as different from the traditional publicly listed corporation as a representative democracy is from a ...

Private Equity History Governance And Operations ...

Corporate governance is a too-often underutilized tool by private equity groups (PEGs) in their portfolio company investments. Its strengthening would be a relatively simple way for them potentially to reduce risk and increase enterprise value, including their potential sale value. Since their beginnings in the 1990s, private equity groups (PEGs) have become an important factor
