Bing: Publication Manual Of The American

I use this manual for reference citations for the grad school classes I am taking. The information is available for free online, but I appreciate having a book in front of me. I thought the spiral-bound book would lay flat and be easier to use than the paperback, but the wire catches on the pages way too often and bends the pages.

APA Style

The seventh edition of the Publication Manual of the American Psychological Association is the current one, published in October 2019. The goal of the book is to help people become better writers and communicators by promoting clarity, precision, and inclusivity.
