diagram,It is always a good idea to only disassemble one side so you can use the other side as a reference,I also recommend using a set of brake pliers,they will make the disassembly and reassembly much easier. Posted on May 30, 2009

Honda Crv Body Parts Diagram | Automotive Parts Diagram Images

But shopping for ceramic brake pads can be difficult because every manufacturer uses a different formula. When shopping for ceramic brake pads, a higher-priced ceramic brake pad is an indication of its quality. In other words, don't replace a factory ceramic brake pad with an economy model and expect to get the same braking performance.
