I picked up the original RS album guide used a while ago and found its wisdom often strange or at odds with RYM ratings and the professional rock criticism of today. Part of what makes this list so unusual is that the editors only rated items

that could actually be purchased new at the time. Many then-out-of-print albums are mentioned in accompanying reviews but are not included with ratings.

Music in RuneScape is mostly in-game background music (music tracks) designed to enhance a player's gaming experience and fit with the environment the avatar is in. Music in RuneScape draws inspiration from progressive rock, with elements of classical and world music. Players need to unlock most tracks during gameplay by going to a particular place, completing a quest, or performing some ...

RuneScape: Original Soundtrack Classics - OSRS Wiki

In that respect, the RS Album Guide comes out a winner. Instead of moaning about how an album you love received less stars than you thought it deserved, you might find it more productive to read the entries on artists like Buddy Holly, James Brown, Little Richard, etc. and gain a little understanding of their historical importance to rock and roll.
