on its strengths—that's why you can expect the best service from HughesNet internet paired with DISH or DIRECTV.

Best Satellite Internet Providers | 2020 ISP Guide | U.S. News

There are two main choices for satellite internet: Viasat (formerly Exede) and HughesNet. Either can set you up with a small satellite dish pointed toward its satellite in the southern sky and a modem/router for your home. Data transfers from your home internet devices to the satellite in space and then to the NOC back on Earth—and back.

Orby TV - \$40 a Month High Quality Prepaid Satellite TV

Satellite television providers send signals to satellites above the earth, which then transmit those signals to smaller dishes attached to homes. Satellite TV receivers convert the signals into an image, similar to how your modem converts incoming signals into internet service.
