Science Olympiad Tournament Basics Updated 8 26 17

Good morning Science Olympiad coaches! Welcome
to the Durham Regional Division B-C Science
Olympiad tournament to be held on February 29,
2020 at Riverside High School! In the next few weeks
there will no doubt be many emails and
communications about our tournament as we begin to
finalize our plans.

National Tournament - Wiki - Scioly.org - Science Olympiad

The National Tournament is the highest level of competition in Science Olympiad. Currently, 60 teams in Division B and 60 teams in Division C qualify each year at various state tournaments around the nation. There is no national-level tournament for Division A teams.

Science Olympiad

This year however, the national Science Olympiad office has established a number of guidelines that all tournaments should follow, including invitational tournaments. If your school wishes to sponsor or participate in an invitational tournament, please be aware of the following considerations.

Science Olympiad Tournament Basics Updated

The expectation for the 2021 season is that if health conditions in your region/state allow for a traditional in-person, single-location tournament, your state chapter will provide that experience for teams, qualifying them all the way through to our 2021 Science Olympiad National Tournament at Arizona State University on May 21-22, 2021.
