Sins Of The Angels The

The Sins of Angels can best be classified as an imaginative and creative combination of fantasy, magical realism, mythology and noir elements. It's something different, because the author evocatively blends various elements to create a mysterious story that, once started, is nearly impossible to stop reading.

Sins of the Angels - Lydia M. Hawke

His answer is that the sins of the bad angels lie in pride and envy. Sin can exist in creatures in two ways: it can exist as guilt and it can exist as an inclination. The devils can clearly be guilty of sin in that they tempt others to do evil deeds. But as far as sin-as-inclination is concerned, they can only sin in what they are drawn towards. Angels are simply not drawn towards bodily goods (or apparent goods), so cannot be guilty of sins such as lust. But they can be drawn towards goods ...

Reading The Summa: Question 63 - The Sin of the Angels

First and foremost Sins of the Angels is crime fiction - a detective novel, that just so happens to have angels in it. To be honest the crime genre is pretty hit and miss with me, I much prefer watching events unfold rather than reading them unfold.
