The authors designed this analytical work primarily for individuals who study politics and terrorism as well as for policy makers who desire a greater understanding of the nature and ends of terrorism.

Root Causes of Increasing Instability Must Be Addressed to ...

We also found that democracy is not a panacea for terrorism and that, in fact, states transitioning to democratic governance are at greater risk of terrorism and insurgency. I take it that means in the short term there are risks, but long-term isnt democracy, coupled with social justice, the best bet to cure terrorism/insurgency?

"Terrorism, Instability, and Democracy in Asia and Africa ...

There are two schools of thought. One school argues that democracies may encourage terrorism through freedom of the press, freedom of association, freedom of movement and restraints on governments...

How terrorism undermines democracy - Brookings

The finding that stability is more significant than democracy for preventing terrorism has a very important implication. Forcing regime change to a democracy by violent means can be expected to increase the level of terrorism in a region, rather than reducing it, because the change in government and the conflict that enables it produces instability.
