The embryo has to be thawed, transferred, and carried to term with a final destination. Otherwise, the embryos could be carried to term and “sold” for the highest bidder. Children would in turn become commodities for the next willing parent. Embryos deserve the same care as other children up for adoption. Therefore they must have a home to go to.

Embryo Adoption: a moral option for infertile Catholic spouses

The ethical status of embryo adoption, or heterotopic embryo transfer, remains an active debate within Catholic moral theology. Opponents of the practice compare the act of embryo adoption to surrogacy or extramarital procreation, and the debate is framed around the question of whether it is morally licit for a woman, married or unmarried, to gestate a genetically unrelated embryo in her uterus.
