The Oiling Of America Part 1 Part 2

In the final post on my notes from last Saturday's Deidre Currie Festival, Sally Fallon's talk on "The Oiling of America" tells how we came to believe the myth that saturated fats are harmful to our health. It grinds me like crazy that it is still quite common to hear someone say their doctor wants them to cut back on saturated fats, and often go on dangerous statins, because their cholesterol is too high.

Amazon.com: The Oiling of America: How the Vegetable Oil ...

The Oiling of America. Sally Fallon presents the work of famed researcher Dr Mary Enig in this essential history of how “vegetable oils” (unnaturally refined seed oils) came to be falsely positioned as the “safest” and “healthiest” fats for the human diet. Sally Fallon heads the Weston A. Price Foundation and her warm calmness and glowing poise as she states the case for a diet low in refined oils and rich in natural, unrefined fats is also evidence of a woman who probably ...
