The Voice of the Mind: “ This is the most completely informative and best written book on the subject we have read. The author deals exhaustively with facts and indicates the lines upon which a good voice should be developed. A series of step-by-step lessons provide instruction on the function of the vocal organs and the resulting tonal sensation the singer should experience at every pitch, and on vocal attack, the true breath-governing principle, and interpretation.”.

Your higher self or intuitive voice is the internal guidance system of your soul and is connected with the Universe. It is here to look after you spiritually and emotionally and often communicates without words. While the ego voice is strong and authoritative in your mind, the higher self voice is softer and quieter.

### **How to Quiet the Little Voice in Your Head | Psychology Today**

We all suffer from the regular chatter of our minds—the voice in our heads—and its innate nature to wander off in cycles and bounce, bop, and flop around. Left to its agenda, the mind will be restless, unsettled, and regularly careworn and uncontrollable. Not so attractive, is it? But we can all be intimately related.
